

REGISTRATION FORM FOR THANKS for GIVING Month TFG LEADER/CONTACT Preparation Ideas

THANKS FOR GIVING MONTH (TFG) PREPARING FOR YOUR CAMPAIGN

Larger organizations may want to pick a day during October (often payday) as the target day for their campaign. They may want to promote it for at least a week before the actual date of their TFG Day.

Will you require the TFG Envelopes for payroll runs? YES NO

This will give all you participant's ample time to prepare themselves and get involved with this wonderful month and take a day to help our community.

Smaller organizations may want to make it more personal. For example, everyone may just agree to go outside or have a picnic lunch on one day during October 2011 together.

Of course with effective promotion from the TFG leader and support from your organization, your TFG Campaign can also be successful even with just a few days notice.

Remember

Initiate and maintain contact with your participants, Send them reminders and updates to motivate them two-days before the event for sure and however many other times you can before that. Consult the www.sudburyfoodbank.ca website often to access and share ideas you may have.

Thanks to you and your organizations participants for their support!
