**How many token gifts did you  
give and receive last year?  
And where are those token gifts now?**

This year *Banque d'aliments Sudbury Food Bank* would like you to consider giving the gift that is both satisfying to the giver as well as the recipient.

One card at the purchase price of \$5.00 will purchase a holiday meal for one hungry Sudburian.

Send the card in lieu of a token gift to someone important to you  
And give a gift of spirit for the season twice!
